ARTICLE XII. GRIEVANCE PROCEDURE

The purpose of this procedure is to secure fair and consistent interpretations in this contract and its administration. The parties agree that this procedure is applicable only to the interpretation and administration of this agreement.

Definitions:

A grievance is an issue concerning the interpretation or application of provisions of this agreement or compliance therewith only.

Initiation of procedure - a grievance procedure can only be instituted by the individual who wishes the interpretation or clarification. The P.B.A. may pursue the grievance on behalf of the individual or groups of individuals, but may only do so with the written concurrence of that individual or group of individuals. The individual or group of individuals shall retain the right to revoke such concurrence any time and also reserve the right to pursue the grievance on his own at any point.

Procedure, step 1 - Any employee who believes that the contract interpretation has been applied incorrectly to him may institute an action to resolve the matter within his next five (5) working days of the occurrence of the incident or interpretation. The patrolman shall first speak with the sergeant who is his immediate supervisor for the purpose of resolving the matter informally. If the matter cannot be resolved informally with the sergeant, the sergeant shall refer the patrolman to the Chief of Police, who may refer the matter directly to the Administrator or attempt to resolve it with the patrolman.

If the Chief of Police is not able to resolve the grievance, he shall refer it to the Administrator. The Administrator shall review the matter with the patrolman and the Chief of Police, and if the matter is not able to be resolved at that point, the informal procedure shall terminate.

Procedure, step 2 - If the grievance was filed timely and was not able to be resolved informally, the patrolman or his authorized representative and the Administrator shall each forward to the Township Committee, through the Township Clerk, a written statement of the grievance and an explanation of the requested resolution.

ARTICLE XII. GRIEVANCE PROCEDURE (CONT'D)

Within seven (7) days of receipt of such written notice, the Township Committee shall schedule a hearing before the full Committee or a selected subcommittee or individual. Both parties shall be authorized representation of their choosing at this hearing. The Committee, subcommittee, or individual shall, within seven (7) days from the conclusion of the hearing, render a decision.

If the patrolman is still not satisfied with the resolution of the matter, then binding arbitration shall be used to finally resolve the matter.

The scope of arbitration shall be strictly the conditions enumerated in the contract.

The arbitrator shall be selected by mutual agreement of the patrolman and the Township Committee. If the Township Committee and patrolman cannot agree on an arbitrator within fourteen (14) days, then the arbitrator's selection process shall be the normal PERC procedures for selection of an arbitrator as they exist at the time of this agreement.

An arbitration process shall follow the procedures as outlined by the arbitrator selected.

Arbitration expenses - All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Arbitrator's powers - The arbitrator shall have no power to add, subtract or modify the terms of this agreement. Although no incident occurring prior to the signing of this contract may be grieved, it is understood that the arbitrator may take into consideration past practices and procedures in interpreting or clarifying the agreement between the parties. However, it is mutually understood and agreed that the agreement itself takes precedence over past practices and procedures.

The arbitrator shall not conduct any hearings on any grievance which could be heard in any other forum unless the patrolman waives his rights to proceed in the other forums and appropriate times for filing in those forums has expired.

Any of the steps provided for in this agreement may be waived by mutual agreement of the patrolman and the Township.
